8. Survey and DPR preparation

- Preparation of Site Plan, Layout and Overall Plan after total station survey of the Stadium. Submission of the same and getting it approved from BIDA Bhiwadi and submitting the revised plans as per the comments/ suggestions of BIDA Bhiwadi.
- Preparation and submission of Concept as well as Detailed Architectural Drawings, Horticulture plan, elevation, Landscaping plan and Construction Drawing for all.
- Preparation and submission of Structural Design & Drawings of all the components of the proposed structure along with allied facilities.. The Structural Design and Drawing shall be Proof Checked by Experienced and qualified Post Graduate Structural Engineer.
- The Consultant need to submit the Detailed Estimate of all the components for the proposed development work as per the prevailing BSR of PWD Alwar. However, if the item is not available in BSR, detailed rate analysis is to be carried out present market rate basis by the Consultant for each item under consideration and supporting documents shall be furnished. The Consultant shall pay due attention to the quantities of all the items required for execution of work.
- The Consultant needs to submit this all in the shape of a Detailed Project Reports comprising all designs, concepts, estimates and report complete.
- The Consultant need to support BIDA Bhiwadi in preparation of Tender Document along with the Detailed Estimate required for Construction Tendering purpose.
- The Consultant need to support BIDA Bhiwadi during Execution of the project.
- The consultant needs to plan all the necessary allied facilities in the Stadium in order to meet out the cleaning, sanitation and regular maintenance of all structures, fixtures or greenery proposed in the projects.

SECTION IV : CONDITIONS OF CONTRACT

4.1 TIME SCHEDULE:

The Bidder should strictly work according to the below mentioned time schedule

Stage	Stages for the preparation of DPR	Time Period
Stage-1	Survey & Conceptual drawings would be completed and submitted from Date of Award of work after incorporation of BIDA Bhiwadi comments	15 Days
Stage-2	Final submission of Detailed Project Report including all drawings ,Structure designs, construction drawings, Cost Estimates, Rate analysis etc complete in 6 Set of Hard Copy and One Soft Copy in CD/ Pen Drive mode, related to all work after incorporation of BIDA Bhiwadi comments	45 Days
	Total time	60 Days

4.2 TECHNICAL PRESENTATION

The consultants who fulfill all the Minimum Technical Qualification criteria as described in EOI Document will be invited for Technical Presentation before the screening committee of BIDA Bhiwadi on the date and time mentioned in the Bid Data Sheet. The Screening Committee will include Chief Executive officer, Land acquisition officer, Senior Town planner, concerned Executive Engineer and Assistant Engineer of BIDA Bhiwadi. The Consultant shall have to present his presentation on PPT before the Committee along with four sets of hard copy of Presentation.

The presentation will comprise of following points;

- i. Brief about the Qualifications and Past Experience of Consultant / Consultant Firm / Key Persons
- ii. Consultant’s understanding about the Scope of Work proposed
- iii. Consultant’s Conceptual plan about the proposed solution for achieving all the objectives defined in the scope of work. The Concept Plan should be Comprehensive and there should be clarity of objective matching with the requirement of client.
- iv. Consultant’s Approach and Methodology, including deployment of Resources (Key Persons and Support Staff) for achieving the progress in the proposed work as per the schedule given.
- v. Any clarifications / requirements additionally required from Client
- vi. Any other issues Consultant feels to explain for addition or modification in the scope of work defined here.

The Screening Committee shall give scores based upon the presentation of Consultant. The Soft as well as Hard Copy of PPT Presentation shall be kept in record of BIDA Bhiwadi and No additional payment shall be applicable for this presentation to the consultants.

4.3 FINANCIAL PROPOSAL

The Financial EOI envelope would be opened only of those consultants who fulfill all the Minimum Technical Qualification criteria as described in EOI Document and the Consultant who attains the highest marks in the Technical Presentation. The Financial EOI of all the rest Consultants shall not be opened. If there is any increase/ decrease in proposed area, then the Consultant will have to carryout the Consultancy work in the same rates as quoted in his financial proposal.

4.4 NEGOTIATIONS

Negotiations may be held at the BIDA Bhiwadi . The aim is to reach agreement on all points and sign a contract.

Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. The Client and Consultant will then work out final Terms of Reference, staffing, and bar charts indicating activities, staff, periods in the field and in the home office, staff-months, logistics, and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the contract. Special attention will be paid to getting the most the Consultant can offer within the available budget and to clearly defining the inputs required from the Client to ensure satisfactory implementation of the Assignment.

Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff (no breakdown of fees) nor other proposed unit rates.

Having selected the Consultant on the basis of, among other things, an evaluation of proposed key professional staff, the Client expects to negotiate a contract on the basis of the experts named in the Proposal. Before contract negotiations, the Client will require assurances that the experts will be actually available. The Client will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key

staff was offered in the proposal without confirming their availability, the Consultant may be disqualified.

The negotiations will conclude with a review of the draft form of the contract. To complete negotiations the Client and the Consultant will initial the agreed contract.

4.5 PAYMENT SCHEDULES

MODE OF PAYMENT AND STAGE WISE PAYMENT
